

AS GOOD AS DONE

(Rachel Barrentine, Deb Drissell)

VERSE 1

Things are getting messy
Up here in my head
When I could be resting
On Your promises instead

VERSE 2

Why should I be troubled
I am not alone
Like a lamp before me
Your word lights up the road

CHORUS

What You say You'll do
It's as good as done
It was settled on the cross by Your Son
You always follow through
Help me overcome
I will choose to trust you
It's as good as done

VERSE 3

No more second guessing
Or bowing to my doubts
To my heart You've spoken
And it's time to walk it out

BRIDGE

Every battle belongs to You Lord
I lay it down, I lay it down
You're my Confidence, Shield and Reward
Lord I believe, Lord I believe...
