

# **GREATER IS**

(Rachel Barrentine)

## **VERSE 1**

Even in the tragic moments  
Our faith, it won't be stolen  
When chaos keeps on climbing  
Our hope will keep on rising  
Though the enemy is on the loose  
Our strong Defender's on the move

## **CHORUS**

Greater is the One who lives inside of us  
Greater is the King above all Kings  
We will anchor to the Prince of Peace  
Shout this song of victory  
Greater is, Greater is, Greater is the One  
Greater is, Greater is, Greater is the One

## **VERSE 2**

We stand against the darkness  
Rise in the name of Jesus  
Our God is undefeated  
Unshaken, without weakness  
The curse of sin has been undone  
The power of the cross has won

## **BRIDGE**

Unfailing in his love  
Unequaled in his grace  
Come what may  
We're gonna keep the faith  
Unrivaled in His power  
Unconquered by the grave  
Come what may  
We're gonna keep the faith
