

HEAR THE SOUND

Rachel Barrentine, Julie Nevel, Debbie Greenwald

VERSE 1

Hear the sound of creation's song
Crashing waves and pouring rain
Every creature that moves and breathes
Enters in the sweet refrain

CHORUS

Vast, unmeasured is our King
Infinite, limitless One
Joining heaven's symphony
We sing Hallelujah!

VERSE 2

Hear the sound of amazing grace
With the pounding of each nail
Blood spilled out from the Lamb of God
With a love that never fails

CHORUS

Vast, unmeasured is our King
Infinite, limitless One
Joining heaven's symphony
We sing Hallelujah!

VERSE 3

Hear the sound of unbroken praise
As we gather at His throne
Every tribe, every tongue rejoice
In Christ and Christ alone

CHORUS

Vast, unmeasured is our King
Infinite, limitless One
Joining heaven's symphony
We sing Hallelujah!
