

KING OF MY PEACE (ALWAYS BE ENOUGH)

(Sue C. Smith, Rachel Barrentine)

VERSE 1

You have been my compass
When I sail into uncharted waters
When the storm is raging
I can hide in You, my safest harbor

PreChorus 1

You're every reason for my song...

CHORUS

You are the King of my Peace
You are my one healing stream
The tender presence I adore
You measure all of my need
To show me all you can be
And then you prove You're even more
Unfailing Love, You'll always be enough

VERSE 2

Lead me through the shallows
To a deeper place, beyond the breakers
Where I can't touch bottom
And there's only faith, Oh precious Savior

PreChorus 2

Then flood my heart with all You are
