

# **MAY THE HOPE OF CHRIST**

(Rachel Barrentine, Karin Simmons)

## **VERSE 1**

May the hope of Christ  
Guide our hearts and minds  
When the path becomes unsure  
May we know His hand  
Trusting all that He has planned  
He alone is where hope endures

## **VERSE 2**

May the peace of Christ  
Guard our hearts and minds  
While the storms rage all around  
May we find our rest  
In His faithful promises  
He alone is where peace is found

## **VERSE 3**

May the joy of Christ  
Give our hearts and minds  
Light and life from day to day  
May we cast our needs,  
Where all tears and sadness flee  
He alone is where joy will reign

## **VERSE 4**

May the love of Christ  
Grow our hearts and minds  
To embrace all human kind  
May we overflow  
With the grace that He has shown  
He alone is where love abides
