

SAY YES

Gene Ezell, Rachel Barrentine

VERSE 1

If you're feeling unworthy
He's calling the strong and weak
You don't have to be perfect
He's gonna use you and me
All those doubts are just empty noise

VERSE 2

Don't you know you got purpose
You've got a destiny
You're right where He wants you
Just follow and let Him lead
So when you hear His still small voice

CHORUS

All you have to do is say yes
To the blood, to the cross, and the empty grave
Yes to the love, to the cost, and a deeper faith
God's inviting you to serve
Give your heart and put Him first
C'mon just take a step
All you have to do is say yes

VERSE 3

Now you're livin' in surrender
With your hands open wide
And the miracles are waiting
Waitin' on the other side
Everyday you're offered a choice

BRIDGE

Say yes, yes, yes to the God who loves you
Say yes, yes, yes, He's working things together
For your good and for His glory
He just wants your trust
Say yes, yes, yes
