

# WHO I AM

(Gene Ezell, Rachel Barrentine)

## VERSE 1

When I look into the mirror  
I don't always measure up  
To the man I know I'm supposed to be  
I need to remember  
When I feel I'm not enough  
That His precious blood still flows through me  
Jesus reminds me I belong to Him

## CHORUS

This is who I am  
Rescued and redeemed  
Purchased by the Lamb  
Forgiven and set free  
Death has been defeated  
A new life's been created  
Everything I have is in His hands  
This is who I am

## VERSE 2

Day by day I'm learning  
To walk inside this truth  
Letting go of who I used to be  
So I will not be shaken  
I will not be moved  
From the promises He's spoken over me  
Jesus reminds me I belong to Him

## BRIDGE

Not because of anything I've done on my own  
But because He paid the price and rolled away the stone
