

Walk In His Way

(Sue C. Smith, Rachel Barrentine)

VERSE 1A

Sometimes we look around,
and fear we're missing out
Cause' we compare our lives to those we see
Where thoughts start creeping in
And jealousy begins
It's not a place we ever want to be

VERSE 1B

When arrogance and pride
Come at us with their lies
And we start feeling sorry for ourselves
If we'll just stop and pray
We'll hear the Father say
That we are treasured like nobody else

CHORUS

No good thing, does He withhold
From those who walk in His way
There's grace and glory, there's joy on the journey
For those who walk in His way

VERSE 2

So when the road is steep
a way of suffering
When trouble comes our way and we get hurt
His presence and His peace
Are still a guarantee
He's never less than faithful to His word

BRIDGE

I hear Him say be contented
This is the way, walk in it
God of Angel Armies says that...
